§ 8001. Congressional findings

The Congress finds that—

(1) congregate housing, coordinated with the delivery of supportive services, offers an innovative, proven, and cost-effective means of enabling temporarily disabled or handicapped individuals to maintain their dignity and independence and to avoid costly and unnecessary institutionalization;

(2) a large and growing number of elderly and handicapped residents of public housing projects and of nonprofit projects for the elderly and handicapped face premature and unnecessary institutionalization because of the absence of or deficiencies in the availability, adequacy, coordination, or delivery of the supportive services required for the successful development of adequate numbers of congregate housing projects; and

(3) supplemental supportive services, available on a secure and continuing basis, are essential to a successful congregate housing program.

(Pub. L. 95-557, title IV, §402, Oct. 31, 1978, 92 Stat. 2104.)

§ 8003. Contracts to provide congregate services programs

The Secretary of Housing and Urban Development (hereinafter referred to as the "Secretary") is authorized to enter into contracts with local public housing agencies under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] (hereinafter referred to as "public housing agencies") and with nonprofit corporations, utilizing sums appropriated under this chapter, to provide congregate services programs for eligible project residents in order to promote and encourage maximum independence within a home environment for such residents capable of self-care with appropriate supportive congregate services. Each contract between the Secretary and a public housing agency or nonprofit corporation shall be for a term of not less than three years or more than five years and shall be renewable at the expiration of such term. Each public housing agency or nonprofit corporation entering into such a contract shall be reserved a sum equal to its total approved contract amount from the moneys authorized and appropriated for the fiscal year in which the notification date of funding approval falls.

(Pub. L. 95-557, title IV, § 404, Oct. 31, 1978, 92 Stat. 2106.)

REFERENCES IN TEXT

The United States Housing Act of 1937, referred to in text, is act Sept. 1, 1937, ch. 896, as revised generally by Pub. L. 93-383, title II, § 201(a), Aug. 22, 1974, 88 Stat. 653, which is classified generally to chapter 8 (§ 1437 et seq.) of this title. For complete classification of this Act to the Code, see Short Title note set out under section 1437 of this title and Tables.

§ 8004. Congregate services program

(a) Essential services for maintaining independent living

Congregate services programs assisted under this chapter must include full meal service adequate to meet nutritional needs, and may also include housekeeping aid, personal assistance, and other services essential for maintaining independent living.

(b) Duplication of services

No services funded under this chapter may duplicate services which are already affordable, accessible, and sufficiently available on a long-term basis to eligible project residents under programs administered by or receiving appropriations through any department, agency, or instrumentality of the Federal Government or any other public or private department, agency, or organization.

(c) Consultation with Area Agency on Aging or other appropriate State agency

A public housing agency or nonprofit corporation applying for assistance to provide congregate services to elderly residents shall consult with the Area Agency on Aging (or, where no Area Agency on Aging exists, with the appropriate State agency under the Older Americans Act of 1965 [42 U.S.C. 3001 et seq.]) in determining the means of providing services under this chapter and in identifying alternative available sources of funding for such services.

(d) Submission of proposed application to Area Agency on Aging or other appropriate State agency

Prior to the submission of a final application for either new or renewed funding under this chapter for the provision of congregate services to elderly residents, a public housing agency and a nonprofit corporation shall present a copy of a proposed application to the Area Agency on Aging (or, where no Area Agency on Aging exists to the appropriate State agency under the Older Americans Act of 1965 [42 U.S.C. 3001 et seq.]) for review and comment. Such agency and nonprofit corporation shall consider such review and comment in the development of any final application for either new or renewed funding under this chapter.

(e) Nonelderly handicapped individuals as eligible project residents

(1) A public housing agency or nonprofit corporation applying for assistance to provide congregate services to nonelderly handicapped residents shall consult with the appropriate agency, if any, designated by applicable State law as having responsibility for the development, provision, or identification of social services to permanently disabled adults, for the purpose of determining the means of providing services under this chapter and of identifying alternative available sources of funding for such services.

(2) Such public housing agency and nonprofit corporation shall also, prior to the submission of a final application for either new or renewed funding under this chapter, present a copy of the proposed application to such appropriate agency for review and comment. The public housing agency and nonprofit corporation shall consider such review and comment in the development of any final application for either new or renewed funding under this chapter.

(f) Manner of providing congregate services

Any nonprofit corporation or public housing agency receiving assistance under this chapter may provide congregate services directly to eligible project residents or may, by contract or lease, provide such services through other appropriate agencies or providers.

(g) Amount of annual contributions of receiving agency

Nonprofit corporations and public housing agencies receiving assistance for congregate services programs under this chapter shall be required to maintain the same dollar amount of annual contribution which they were making, if any, in support of the provision of services eligible for assistance under this chapter before the date of the submission of the application for such assistance unless the Secretary determines that the waiver of this requirement is necessary for the maintenance of adequate levels of services to eligible project residents. If any contract or lease entered into by a public housing agency or nonprofit corporation pursuant to subsection (f) of this section provides for adjustments in payments for services to reflect changes in the cost of living, then the amount of annual contribution required to be maintained by such public agency or nonprofit corporation under the preceding sentence shall be readjusted in the same manner.

(h) Fees for meal and other services

Each nonprofit corporation and public housing agency shall establish fees for meal service and other appropriate services provided to eligible project residents. These fees shall be reasonable, may not exceed the cost of providing the service, and shall be calculated on a sliding scale related to income which permits the provision of services to such residents who cannot afford meal and service fees. When meal services are provided to other project residents, fees shall be reasonable and may not exceed the cost of providing the meal service.

(i) Standards for provision of services

The Secretary shall establish standards for the provision of services under this chapter, and, in developing such service standards, the Secretary shall consult with the Secretary of Health and Human Services and with appropriate organizations representing the elderly and handicapped, as determined by the Secretary.

Within twelve months prior to the submission of an application for renewed funding under this chapter, each nonprofit corporation and public housing agency shall review the performance, appropriateness, and fee schedules of their congregate services program with eligible project residents and with the professional assessment committee. The results of such review shall be included in any application for renewal and shall be considered in the development of the application for renewal by the nonprofit corporation or public housing agency and in its evaluation by the Secretary.

§ 8011. Revised congregate housing services program

(a) Findings and purposes

(1) Findings

The Congress finds that—

(A) the effective provision of congregate services may require the redesign of units and buildings to meet the special physical needs of the frail elderly persons and the creation of congregate space to accommodate services that enhance independent living;

(B) congregate housing, coordinated with the delivery of supportive services, offers an innovative, proven, and cost-effective means of enabling frail older persons and persons with disabilities to maintain their dignity and independence;

(C) independent living with assistance is a preferable housing alternative to institutionalization for many frail older persons and persons with disabilities;

(D) 365,000 persons in federally assisted housing experience some form of frailty, and the number is expected to increase as the general population ages;

(E) an estimated 20 to 30 percent of older adults living in federally assisted housing experience some form of frailty;

(F) a large and growing number of frail elderly residents face premature or unnecessary institutionalization because of the absence of or deficiencies in the availability, adequacy, coordination, or delivery of supportive services;

(G) the support service needs of frail residents of assisted housing are beyond the resources and experience that housing managers have for meeting such needs;

(H) supportive services would promote the invaluable option of independent living for nonelderly persons with disabilities in federally assisted housing;

(I) approximately 25 percent of congregate housing services program sites provide congregate services to young individuals with disabilities;

(J) to the extent that institutionalized older adults do not need the full costly support provided by such care, public moneys could be more effectively spent providing

the necessary services in a noninstitutional setting; and

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1485, 13631 of this title; title 12 section 1715w.

§ 8012. Hope for elderly independence

(a) Purpose

The purpose of this section is to establish a demonstration program to test the effectiveness of combining housing certificates and vouchers with supportive services to assist frail elderly persons to continue to live independently. The demonstration program under this section shall terminate upon the expiration of the 5-year period determined by the Secretary.

(b) Housing assistance

In connection with this demonstration, the Secretary of Housing and Urban Development may enter into contracts with public housing agencies to provide not more than 1,500 incremental vouchers and certificates under sections 1437f(b) and 1437f(o) of this title. A public housing agency may not require that a frail elderly person live in a particular structure or unit, but the agency may restrict the program under this section to a geographic area, where necessary to ensure that the provision of supportive services is feasible. At the end of the demonstration period, the public housing agency shall give each frail elderly person the option to continue to receive assistance under the housing certificate or voucher program of the agency. In the demonstration, the Secretary may also provide for supportive services in connection with existing contracts for housing assistance under sections 1437f(b) and 1437f(o) of this title.

(c) Supportive services requirements and matching funding

(1) Federal, PHA and,¹ individual contributions

The amount estimated by the public housing agency and approved by the Secretary as necessary to provide the supportive services for the demonstration period shall be funded as follows:

(A) The Secretary shall provide 40 percent, using amounts appropriated under this section.

(B) The public housing agency shall ensure the provision of at least 50 percent from sources other than under this section.

(C) Notwithstanding any other provision of law, each frail elderly person shall pay 10 percent of the costs of the supportive services that the person receives, except that a frail elderly person may not be required to pay an amount that exceeds 20 percent of the adjusted income (as the term is defined in section 1437a(b)(5) of this title) of such person and the Secretary shall provide for the waiver of the requirement to pay costs under this subparagraph for persons whose income is determined to be insufficient to provide for any payment.

(D) To the extent that the limitation under subparagraph (C) regarding the percentage of income frail elderly persons may pay for services will result in collected amounts for any public housing agency of less than 10 percent of the cost of providing the services, 50 percent of such remaining costs shall be provided by the public housing agency and 50 percent of such remaining costs shall be provided by the Secretary from amounts appropriated under this section.

(2) Provision of services for entire demonstration

Each public housing agency shall ensure that supportive services appropriate to the needs of the frail elderly persons to be served under this demonstration are provided throughout the demonstration period. Expenditures for supportive services need not be made in equal amounts for each year, but may vary depending on the needs of the frail elderly persons assisted under this section. A public housing agency may use up to 20 percent of the Federal assistance provided for supportive services in each year of this demonstration and any amounts from any prior year in which the public housing agency did not use 20 percent of the available Federal assistance.

(3) Calculation of match

In determining compliance with paragraph (1)(B), an agency may include the value of such items as the Secretary determines to be appropriate, which may include the salary paid to staff to provide supportive services, if such items have a readily discernible market value.

(d) Applications

An application under this section shall be submitted by a public housing agency in such form

and in accordance with such procedures as the Secretary shall establish. The Secretary shall require that an application contain at a minimum—

(1) an application for housing assistance under section 1437f of this title, if necessary, and a description of any such assistance already made available that will be used in the demonstration;

(2) a description of the size and characteristics of the population of frail elderly persons and of their housing and supportive services needs;

(3) a description of the proposed method of determining whether a person qualifies as a frail elderly person (specifying any additional eligibility requirements proposed by the agency), and of selecting frail elderly persons to participate;

(4) a statement that the public housing agency will create a professional assessment committee or will work with another entity which will assist the public housing agency in identifying and providing only services that each frail elderly person needs to remain living independently;

(5) a description of the mechanisms for developing housing and supportive services plans for each person and for monitoring the person's progress in meeting that plan;

(6) the identity of the proposed service providers and a statement of qualifications;

(7) a description of the supportive services the public housing agency proposes to make available for the frail elderly persons to be served, the estimated costs of such services, a description of the resources that are expected to be made available to cover the portion of the costs required by subsection (c)(1) of this section;

(8) assurances satisfactory to the Secretary that the supportive services will be provided for the demonstration period;

(9) the plan for coordinating the provision of housing assistance and supportive services;

(10) a description of how the public housing agency will ensure that the service providers are providing supportive services, at a reasonable cost, adequate to meet the needs of the persons to be served;

(11) a plan for continuing supportive services to frail elderly persons that continue to receive housing assistance under section 1437f of this title after the end of the demonstration period; and

(12) a statement that the application has been developed in consultation with the area agency on aging under title III of the Older Americans Act of 1965 [42 U.S.C. 3021 et seq.] and that the public housing agency will periodically consult with the area agency during the demonstration.

(c) General requirements

The Secretary shall take such actions as may be necessary to ensure that—

(1) assistance made available under this section will be used to meet the special needs of persons with disabilities by providing a variety of housing options, ranging from group homes and independent living facilities to dwelling units in multifamily housing developments, condominium housing, and cooperative housing; and

Such advance shall be in an amount calculated in accordance with the development cost limitation established in subsection (h) of this section.

(2) Project rental assistance

Contracts for project rental assistance shall obligate the Secretary to make monthly payments to cover any part of the costs attributed to units occupied (or, as approved by the Secretary, held for occupancy) by very low-income persons with disabilities that is not met from project income. The annual contract amount for any project shall not exceed the sum of the initial annual project rentals for all units and any initial utility allowances for

such units, as approved by the Secretary. Any contract amounts not used by a project in any year shall remain available to the project until the expiration of the contract. The Secretary may adjust the annual contract amount if the sum of the project income and the amount of assistance payments available under this paragraph are inadequate to provide for reasonable project costs. In the case of an intermediate care facility which is the residence of persons assisted under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.], project income under this paragraph shall include the same amount as if such person were being assisted under title XVI of the Social Security Act [42 U.S.C. 1381 et seq.].

(4) Tenant-based rental assistance

(A) Administering entities

Tenant-based rental assistance provided under subsection (b)(1) of this section may be provided only through a public housing agency that has submitted and had approved a plan under section 1437e(d) of this title that provides for such assistance, or through a private nonprofit organization. A public housing agency shall be eligible to apply under this section only for the purposes of providing such tenant-based rental assistance.

(B) Program rules

Tenant-based rental assistance under subsection (b)(1) of this section shall be made available to eligible persons with disabilities and administered under the same rules that govern tenant-based rental assistance made available under section 1437f of this title, except that the Secretary may waive or modify such rules, but only to the extent necessary to provide for administering such assistance under subsection (b)(1) of this section through private nonprofit organizations rather than through public housing agencies.

(C) Allocation of assistance

The Secretary shall, to the extent approved in appropriation Acts, extend any expiring contract for a term of not less than 60 months. In order to facilitate the orderly extension of expiring contracts, the Secretary is authorized to make commitments to extend expiring contracts during the year prior to the date of expiration.

Such applications shall contain—

- (1) a description of the proposed housing;

- (5) the extent to which the proposed design of the housing will accommodate the provision of such services;
- (6) the extent to which the applicant has control of the site of the proposed housing; and
- (7) such other factors as the Secretary determines to be appropriate to ensure that funds made available under subsection (b)(2) of this section are used effectively.

(h) Development cost limitations

(1) In general

The Secretary shall periodically establish development cost limitations by market area for various types and sizes of supportive housing for persons with disabilities by publishing a notice of the cost limitations in the Federal Register. The cost limitations shall reflect—

- (E) the cost of congregate space necessary to accommodate the provision of supportive services to persons with disabilities;
- (F) if the housing is newly constructed, the cost of meeting the energy efficiency standards promulgated by the Secretary in accordance with section 12709 of this title; and
- (G) the cost of land, including necessary site improvement.

In establishing development cost limitations for a given market area, the Secretary shall

use data that reflect currently prevailing costs of acquisition, construction, reconstruction, or rehabilitation, and land acquisition in the area. Neither this section nor any other provision of law may be construed as prohibiting or preventing the location and operation, in a project assisted under this section, of commercial facilities for the benefit of residents of the project and the community in which the project is located, except that assistance made available under this section may not be used to subsidize any such commercial facility.

(2) RTC properties

In the case of existing housing and related facilities from the Resolution Trust Corporation under section 1441a(c) of title 12, the cost limitations shall include—

- (A) the cost of acquiring such housing,
- (B) the cost of rehabilitation, alteration, conversion, or improvement, including the moderate rehabilitation thereof, and
- (C) the cost of the land on which the housing and related facilities are located.

(3) Annual adjustments

The Secretary shall adjust the cost limitation not less than once annually to reflect changes in the general level of acquisition, construction, reconstruction, or rehabilitation costs.

(4) Incentives for savings

(A) Special project account

The Secretary shall use the development cost limitations established under paragraph (1) to calculate the amount of financing to be made available to individual owners. Owners which incur actual development costs that are less than the amount of financing shall be entitled to retain 50 percent of the savings in a special project account. Such percentage shall be increased to 75 percent for owners which add energy efficiency features which (i) exceed the energy efficiency standards promulgated by the Secretary in accordance with section 12709 of this title; (ii) substantially reduce the life-cycle cost of the housing; (iii) reduce gross rent requirements; and (iv) enhance tenant comfort and convenience.

(B) Uses

The special project account established under subparagraph (A) may be used (i) to supplement services provided to residents of the housing or funds set-aside for replacement reserves, or (ii) for such other purposes as determined by the Secretary.

(5) Funds from other sources

An owner shall be permitted voluntarily to provide funds from sources other than this section for amenities and other features of appropriate design and construction suitable for supportive housing for persons with disabilities if the cost of such amenities is (A) not financed with the advance, and (B) is not taken into account in determining the amount of Federal assistance or of the rent contribution of tenants. Notwithstanding any other provi-

sion of law, assistance amounts provided under this section may be treated as amounts not derived from a Federal grant.

(i) Tenant selection

(1) An owner shall adopt written tenant selection procedures that are satisfactory to the Secretary as (A) consistent with the purpose of improving housing opportunities for very low-income persons with disabilities; and (B) reasonably related to program eligibility and an applicant's ability to perform the obligations of the lease. Owners shall promptly notify in writing any rejected applicant of the grounds for any rejection.

(2) Notwithstanding any other provision of law, an owner may, with the approval of the Secretary, limit occupancy within housing developed under this section to persons with disabilities who have similar disabilities and require a similar set of supportive services in a supportive housing environment.

(j) Miscellaneous provisions

(1) Technical assistance

The Secretary shall make available appropriate technical assistance to assure that applicants having limited resources, particularly minority applicants, are able to participate more fully in the program carried out under this section.

(2) Civil rights compliance

Each owner shall certify, to the satisfaction of the Secretary, that assistance made available under this section will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.], the Fair Housing Act [42 U.S.C. 3601 et seq.] and other Federal, State, and local laws prohibiting discrimination and promoting equal opportunity; and²

(3) Site control

An applicant may obtain ownership or control of a suitable site different from the site specified in the initial application. If an applicant fails to obtain ownership or control of the site within 1 year after notification of an award for assistance, the assistance shall be recaptured and reallocated.

(4) Owner deposit

The Secretary may require an owner to deposit an amount not to exceed \$10,000 in a special escrow account to assure the owner's commitment to the housing.

(5) Notice of appeal

The Secretary shall notify an owner not less than 30 days prior to canceling any reservation of assistance provided under this section. During the 30-day period following the receipt of a notice under the preceding sentence, an owner may appeal the proposed cancellation. Such appeal, including review by the Secretary, shall be completed not later than 45 days after the appeal is filed.

²So in original. The word "opportunity" probably should be followed by a period.

(6) Labor standards**(A) In general**

The Secretary shall take such action as may be necessary to insure that all laborers and mechanics employed by contractors and subcontractors in the construction of housing with 12 or more units assisted under this section shall be paid wages at rates not less than those prevailing in the locality involved for the corresponding classes of laborers and mechanics employed on construction of a similar character, as determined by the Secretary of Labor in accordance with the Act of March 3, 1931 (commonly known as the Davis-Bacon Act [40 U.S.C. 276a et seq.]).

(B) Exemption

Subparagraph (A) shall not apply to any individual who—

- (i) performs services for which the individual volunteered;
- (ii) (I) does not receive compensation for such services; or
- (II) is paid expenses, reasonable benefits, or a nominal fee for such services; and
- (iii) is not otherwise employed at any time in the construction work.

(7) Use of project reserves

Amounts for project reserves for a project assisted under this section may be used for costs, subject to reasonable limitations as the Secretary determines appropriate, for reducing the number of dwelling units in the project. Such use shall be subject to the approval of the Secretary to ensure that the use is designed to retrofit units that are currently obsolete or unmarketable.

(k) Definitions

As used in this section—

(1) The term “group home” means a single family residential structure designed or adapted for occupancy by not more than 8 persons with disabilities. (D) which is approved by the Secretary as to financial responsibility.

Such term includes a for-profit limited partnership the sole general partner of which is an organization meeting the requirements under subparagraphs (A), (B), (C), and (D) or a corporation wholly owned and controlled by an organization meeting the requirements under subparagraphs (A), (B), (C), and (D).

(7) The term “State” includes the several States, the District of Columbia, the Commonwealth of Puerto Rico, and the possessions of the United States.

(2) Earlier applicability

The Secretary shall, upon the request of an owner, apply the provisions of this section to any housing for which a loan reservation was made under section 1701q of title 12 before November 28, 1990,⁵ but for which no loan has been executed and recorded. In the absence of such a request, any housing identified under the preceding sentence shall continue to be subject to the provisions of section 1701q of title 12 as they were in effect when such assistance was made or reserved.

(3) Coordination

When responding to an owner's request under paragraph (1), the Secretary shall, not-

withstanding any other provision of law, apply such portion of amounts obligated at the time of loan reservation, including amounts reserved with respect to such housing under section 1437f of this title, as are required for the owner's housing under the provisions of this section and shall make any remaining portion available for other housing under this section.

SUBCHAPTER I—NEIGHBORHOOD REINVESTMENT CORPORATION

SUBCHAPTER REFERRED TO IN OTHER SECTIONS

This subchapter is referred to in title 12 section 1834a.

§ 8101. Congressional findings and declaration of purpose

(a) The Congress finds that—

(1) the neighborhood housing services demonstration of the Urban Reinvestment Task Force has proven its worth as a successful program to revitalize older urban neighborhoods by mobilizing public, private, and community resources at the neighborhood level; and

(2) the demand for neighborhood housing services programs in cities throughout the United States warrants the creation of a public corporation to institutionalize and expand the neighborhood housing services program and other programs of the present Urban Reinvestment Task Force.

(b) The purpose of this subchapter is to establish a public corporation which will continue the joint efforts of the Federal financial supervisory agencies and the Department of Housing and Urban Development to promote reinvestment in older neighborhoods by local financial institutions working cooperatively with community people and local government, and which will continue the nonbureaucratic approach of the Urban Reinvestment Task Force, relying largely on local initiative for the specific design of local programs.
